

Jaktmarker & Fiskevatten is Sweden's largest independent hunting magazine.

Jaktmarker & Fiskevatten focus on testing weapons and gear. We guide the reader in the right direction when it comes to equipment and gadgets.

We review the dilemmas and phenomena of hunting. We report from the latest wildlife research. We follow the reader to the forest and describe the path to shot. We feel the pulse beat and share the joy of the hunter from a succesful hunt. We give useful hints in the hunting dog section and write about the best hunting dogs in JoF-dog. We follow you into the kitchen and give you good tasting recipes. We also like fishing.

Jaktmarker & Fiskevatten is the hunters best friend – before, during and after the hunt!
